- B. The politicians, the government, and other officials 'busy' on Capitol Hill.
- C. Us.

What: Register 2004 is a new coalition of local groups, organizations, and individuals to support voter education, reform, registration, and participation and to provide a local face-to-face and an online community to affect participatory democracy.

Because safeguarding democracy is everybody's business.

On June 10, your perspective and input is needed to help shape Register 2004 to be as useful as possible. If you know other individuals or groups who would be interested, please feel free to pass this information on to them.
