Sunday, April 13; 2 PM – 6 PM

Suggested Donation: \$10

* This event is sponsored by ICUJP. ICUJP works for world peace and justice, from a foundation of interfaith spirituality. We see war and injustice working in closely integrated ways presenting a formidable barrier to our realization as human beings. Our lives and our spirits are abused by this endless cycle of violence and poverty. Visit our website for more information at www.icujp.org.
